8:21 PM **Andrew**: hey
8:22 PM **me**: yo yo
8:23 PM **Andrew**: something came up
I have to reschedule for tomorrow
me: reschedule what?
Andrew: we were going to have a beer
and let me introduce to you the rollout schedule that is happening on wednesday
me: how now?
Andrew: **sigh**
8:24 PM just take my word for it
me: I don't understand what you're talking about
Andrew: Im releasing software on wednesday
me: ah
right on
8:25 PM **Andrew**: you were going to meet me for a beer tonight
me: right, I understand
Andrew: but I cant now
me: okay, gotcha
Andrew: so tomorrow instead
me: very well
8:28 PM so, because I got a whole bunch of recommends at Kos with my wikileaks diary the other day, I am now a "trusted user"
which means I get to say the comments that have been made invisible to regular users by virtue of having been downvoted
see them rather
Andrew: congrats
